AGENDA

1. Authorisation for the purchase and disposal of treasury shares, pursuant to the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code, as well as Article 132 of Italian Legislative Decree no. 58 of 24 February 1998, and its implementing provisions. Related and consequent resolutions.

The Chairman announces that no requests for additions to the Shareholders’ Meeting agenda have been submitted by shareholders, nor there were any proposals for resolutions on items already on the agenda, in accordance with the provisions and deadlines indicated in Article 126-*bis* of Italian Consolidated Law on Finance (Italian Legislative Decree no. 58 of 24 February 1998 or “TUF”).

The Chairman also declares that:

- the subscribed and paid-in share capital at today’s date is €34,947,124.00 (thirty four million nine hundred and forty-seven thousand one hundred and twenty four point zero zero) and is represented by no. 34,947,124 (thirty four million nine hundred and forty-seven thousand one hundred and twenty four) ordinary shares, without par value;

- each ordinary share entitles the holder to one vote at the Shareholders' Meeting, except for no. 20,837,128 (twenty million eight hundred and thirty-seven thousand one hundred and twenty-eight) shares which have obtained increased voting rights (in the ratio of two voting rights for each share) in accordance with Article 6 of the By-laws; therefore, the total number of voting rights exercisable at the Shareholders' Meeting is 55,784,252 (fifty five million seven hundred and eighty four thousand two hundred and fifty two);

- to date, according to the findings of the Company's shareholders' register, supplemented by additional notifications received pursuant to Article 120 of the TUF and other available information, the party that holds, directly or indirectly, an equity investment exceeding 3% (three per cent) of the subscribed share capital of the Company represented by shares with voting rights, is the following:

 - * number of ordinary shares: 21,156,105 (twenty one million one hundred and fifty six thousand one hundred and five) for no. 41,825,233 (forty one million eight hundred and twenty five thousand two hundred and thirty three) votes;

 - * % on total voting rights: approx. 74.98% (seventy-four point nine eight per cent);
- pursuant to Article 83-sexies of the TUF, the persons entitled to attend the

Shareholders' Meeting and exercise their voting rights are those in favour of whom entitlement to attend the Shareholders' Meeting and exercise voting rights is certified, at their request, by a communication to the Company made by an authorised intermediary, in accordance with their accounting records at the end of the accounting day of the seventh trading day prior to the date set for the Shareholders' Meeting, i.e. 1 December 2023 (record date);

- those resulting holders of the Company's shares only after that date will not be entitled to attend and vote at the Shareholders' Meeting;

- the intermediary's communication must reach the Company by the end of the third trading day prior to the date set for the Shareholders' Meeting in first call (i.e. by 7 December 2023);

- nevertheless, the right to participate and vote at the Shareholders' Meeting remains, if the communications are received by the Company after that deadline, provided that they are received by the beginning of the Shareholders' Meeting;

- those who have the right to participate at the Shareholders' Meeting may be represented by written proxy in accordance with current legislation.

The Chairman states that no. 278 (two hundred and seventy eight) shareholders entitled to vote are attending the meeting individually or by proxy, representing no. 29,964,782 (twenty nine million nine hundred and sixty four thousand seven hundred and eighty two) ordinary shares (equal to approx. 85.743% (eighty five point seven four three per cent) of share capital), of which no. 9,295,654 (nine million two hundred ninety five thousand six hundred and fifty four) ordinary shares have voting right with no increased voting rights and no. 20,669,128 (twenty million six hundred and sixty nine thousand one hundred and twenty eight) shares with increased voting rights, in the ratio of two voting rights for each share, totalling no. 50,633,910 (fifty million six hundred and thirty three thousand nine hundred and ten) voting rights on no. 55,784,252 (fifty five million seven hundred and eighty four thousand two hundred and fifty two) total voting rights, equal to approx. 90.767% (ninety point seven six seven per cent) of total voting rights, taking into account the shares with increased voting rights.

Since the meeting may continue, the Chairman reports that he will again communicate the number of shares and voting rights before the vote.

The Chairman states that he ascertained, by means of staff appointed for this purpose, the identity and legitimacy of the attendees and that the proxies had been acquired for the social acts.

Hence, he declares that the Ordinary Shareholders' Meeting is duly convened, validly constituted in first call within the terms of the law and the By-laws and is empowered to make resolutions upon item on the agenda.

He announces that there was no solicitation of voting proxies pursuant to Article 136 et seq. of the TUF promoted in relation to today's meeting.

He informs that, pursuant to the "GDPR" (General Data Protection Regulation - EU regulation 2016/679) and the governing national legislation on personal data protection, the personal data collected are processed and stored by the Company, on electronic media and hardcopy, for the purposes of correctly conducting Shareholders' Meetings and for taking minutes, as well to satisfy any related corporate and legal obligations.

He also notes that the audio-video recording of the Shareholders' Meeting is made for the sole purpose of facilitating the taking of the meeting minutes and documenting what is transcribed in the minutes, as specified in the information provided to all participants; all data will be stored, together with

the documents produced during the meeting, at the Company's registered office; recording tools of any kind, photographic equipment and similar cannot be used, with the exception of the audio recording tools used by the Company to facilitate the taking of the meeting minutes.

The Chairman notes that the voting rights relating to the shares for which the disclosure obligations referred to in Articles 120 and 122, paragraph 1, of the TUF – concerning respectively the significant equity investments and shareholders' agreements – have not been fulfilled, cannot be exercised.

The Chairman also states that the Company is not aware of any shareholders' agreements stipulated between shareholders pursuant to Article 122 of the TUF.

He acknowledges that, with regard to the item of the agenda, the requirements envisaged by governing laws and regulations have been duly fulfilled and the related documentation has been subject to disclosure obligations contemplated by the applicable regulation, as well as made available on the Company's website. In particular, the Explanatory Report of the Board of Directors on the item on the agenda of the Shareholders' Meeting, drawn up pursuant to the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code as well as Article 132 of the TUF, and its implementing provisions, has been made available at the Company's registered office, as well as on the Company's website www.sanlorenzoyacht.com, "Corporate Governance" section, and on the "eMarket Storage" mechanism within the terms set out by law.

In addition, he acknowledges that a USB stick and a QR Code, containing the supporting documents for the meeting, have been made available to the attendees and, in any case, such documentation is available to anyone who requests in paper format.

The Chairman informs:

- that list of names of the participants in the Shareholders' Meeting, individually or by proxy, complete with the relative number of shares and voting rights is attached to the meeting minutes, under letter "A";
- that the Company has not received any questions prior to the Shareholders' Meeting, in accordance with the provisions of Article 127-ter of the TUF;
- in accordance with Article 11.4 of the By-Laws, those who wish to take the floor on the item on the agenda will have to book their speech when I indicate the opening of the debate. The right to take the floor will be provided to the Shareholders who promptly request it; the Chairman will decide the order of the speakers; answers will be eventually provided at the end of the last speech; the Shareholders who booked for the speech will have the right to reply at the end of any answers. I would like to specify that speeches must be concise and strictly relevant to the item on the agenda; the Shareholders are invited to limit their speech within 5 minutes, in which will have to be included also eventual voting explanations, and within 2 minutes for the replies to the eventual answers provided.

Finally, the Chairman pointed out that the votes will be held by a show of hands, indicating to any proxy holders with more than one proxy that they will be able to cast different votes within the total number of shares represented.

To allow a better conduct of the meeting proceedings, the Chairman kindly asks the attendees not to leave until votes have taken place, therefore those who need to leave are asked to inform Monte Titoli.

The Chairman then moves on to discussion of the **first and only item** on the agenda:

“1. Authorisation for the purchase and disposal of treasury shares, pursuant to the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code, as well as Article 132 of Italian Legislative Decree no. 58 of 24 February 1998, and its implementing provisions. Related and consequent resolutions.”

The Chairman specifies that the reading of the Explanatory Report by the Board of Directors will be omitted, limiting the reading to the proposal for resolution only.

The Chairman acknowledges that no one opposes and he recalls that the approval of the proposal for authorisation to purchase and dispose of Sanlorenzo ordinary shares is submitted to the Shareholders' Meeting, pursuant to the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code, as well as Article 132 of the TUF and its implementing provisions, and in particular Article 144-bis of the Issuers' Regulation, without prejudice to the application of the MAR Regulation (Regulation (EU) no. 596 of 16 April 2014 on market abuse), the Delegated Regulation (Commission Delegated Regulation (EU) no. 1052 of 8 March 2016 on the conditions applicable to share buybacks and stabilisation measures), as well as the market practices permitted and approved from time to time by Consob pursuant to the MAR Regulation.

Most recently, he recalls that the Shareholders' Meeting had authorised the purchase and disposal of the Company's ordinary shares on 28 April 2022. This purchase authorisation had a duration of 18 months from the date of the aforementioned resolution and therefore expired on 28 October 2023, while the authorisation of disposal was granted without time limit.

It is therefore appropriate that the Company should again be granted the right to purchase and dispose of treasury shares, for the purposes expressed in the Explanatory Report of the Board of Directors pursuant to the Issuers' Regulations, which has been made available to the public in the manner and within the terms set out by law, as well as to the attendees in the manner indicated at the opening of the Shareholders' Meeting.

In view of the foregoing, the Board of Directors submits the following proposal for resolution to the approval of the Shareholders' Meeting:

“The Shareholders' Meeting of Sanlorenzo S.p.A., which met in ordinary session,

- (i) having heard and approved the explanation by the Board of Directors;*
- (ii) having examined the Explanatory Report of the Board of Directors and the proposals contained therein;*
- (iii) having shared the reasons for the proposals contained therein*

resolves

to authorise the Board of Directors of Sanlorenzo S.p.A. to purchase ordinary shares of Sanlorenzo S.p.A., on one or more occasions and to a freely determinable extent, for a period of 18 (eighteen) months from the date of this resolution, for the purposes referred to in the aforementioned Explanatory Report of the Board of Directors and within the limits, under the conditions and procedures referred to in the same Report, to be considered as applied in full, and in particular according to the procedures specified below:

the maximum number of shares to be purchased is 3,491,956 (three million four hundred and ninety-one thousand nine hundred and fifty-six), subject, in any case, to compliance with the maximum limit provided for in Article 2357, paragraph 3 of the Italian Civil Code;

the purchases will be carried out – in compliance with all applicable

regulations – at a price that is not more than 20% (twenty per cent) higher or lower than the reference price recorded on the Euronext Milan regulated market organised and managed by Borsa Italiana S.p.A. in the trading session preceding each individual transaction;

in any case, purchases may only take place within the limits of the distributable profit and available reserves resulting from the latest approved financial statements and may only concern fully paid-in shares;

purchases will be carried out in accordance with applicable regulations, and in particular in such a way as to allow observance of the equal treatment of shareholders, in accordance with the provisions of Article 132 of the TUF, and in compliance with Article 144-bis of Consob Regulation no. 11971 of 14 May 1999, as amended ("**Issuers' Regulation**"), and any other applicable regulations as well as, to the extent applicable, by market practices permitted and approved by Consob pursuant to the MAR Regulation (the "**Permitted Practices**");

to authorise the Board of Directors of Sanlorenzo S.p.A., pursuant to Article 2357-ter of the Italian Civil Code, to dispose in whole and/or in part of its treasury shares, without time limits, establishing the price and methods of disposal in the manner deemed most appropriate in the interest of the Company and in compliance with applicable regulations, in the manner and for the purposes set forth in the Board of Directors' Explanatory Report and within the limits, conditions and terms set forth in said Report, to be considered fully referred to, and in particular – in compliance with the terms, conditions and requirements established by applicable regulations as well as, where applicable, by the Permitted Practices, in particular where the shares are used to support the liquidity on the market of Sanlorenzo S.p.A. shares – in the manner set out below:

treasury shares may be subject to acts of disposal on one or more occasions, in amounts freely determinable, even before the quantity of treasury shares that can be purchased has been exhausted; it will also be possible to repurchase the shares after their disposal, provided that the limits of the law and the maximum limit of the purchase authorisation as indicated above are respected;

the acts of disposal, if transacted in cash, may not be undertaken at a price more than 20% (twenty per cent) lower than the reference price recorded on the Euronext Milan regulated market organised and managed by Borsa Italiana S.p.A. in the trading session prior to each individual transaction;

if the acts of disposal of the shares are transacted – in any manner, including but not limited to, in addition to sale, through exchange, contribution and any other non-cash disposal – in the context of extraordinary transactions of interest to Sanlorenzo S.p.A., including, by way of example but not limited to, the exchange of equity investments, acquisitions, mergers, spin-offs, share capital transactions, other corporate and/or financial transactions, according to the economic terms and conditions of the transaction that will be determined by the Sanlorenzo S.p.A. Board of Directors from time to time based on the nature and characteristics of the transaction, also taking into consideration the market performance of the Sanlorenzo S.p.A. stock and the Company's best interest;

the shares servicing the compensation plans based on financial instruments for the benefit of directors, employees or contractors of the Company and/or its subsidiaries will be assigned to the beneficiaries of the plans in the manner and under the terms indicated in the regulations of the plans;

to confirm and grant, as far as may be necessary, the Board of Directors of Sanlorenzo S.p.A. the faculty and all the broadest, more appropriate powers necessary to carry out any activity, take any resolution and enter into any deed to implement the resolutions referred to in the preceding points and to see to the disclosure to the market in relation thereto, pursuant to applicable laws and regulations, with the power to delegate its powers, duties and responsibilities to the Chairman of the Board of Directors, the Vice Chairman of the Board of Directors and other of its members, including severally among them.”

The Chair of the Board of Statutory Auditors declares that the Board of Statutory Auditors, upon analysis of the documentation produced, has not identified any impediments.

At this point, the Chairman of the Shareholders' Meeting declares the debate on the proposal read previously open and he invites the shareholders entitled to vote who wish to take the floor to book and indicate their name, recalling the speech rules set out at the opening of the Shareholders' Meeting.

The President declared the booking of speeches closed.

No voting shareholder took the floor.

After a full debate, at forty minutes after eleven o' clock, the Chairman puts the proposal for resolution read previously to the vote.

The Chairman states that no. 278 (two hundred and seventy eight) shareholders entitled to vote are attending the meeting individually or by proxy, representing no. 29,964,782 (twenty nine million nine hundred and sixty four thousand seven hundred and eighty two) ordinary shares, equal to approx. 85.743% (eighty five point seven four three per cent) of share capital), and totaling no. 50,633,910 (fifty million six hundred and thirty three thousand nine hundred and ten) voting rights, equal to approx. 90.767% (ninety point seven six seven per cent) of total voting rights, taking into account the shares with increased voting rights.

The Chairman invites the shareholders entitled to cast their vote and, in advance, he requests that any situations in which the right to vote is excluded be stated, particularly with regard to the subject under vote.

He also notes that the Lawyer Dario Trevisan of the Law Firm Trevisan & Associati has sent a communication today to Monte Titoli S.p.A. and to the lawyers of the company with whom he certifies that the shareholder PUBLIC INVESTMENT FUND, holder of no. 2,083,216 (two million eighty three thousand two hundred and sixteen) shares representing 3.7% (three point seven per cent) of voting rights, is exempt from the communications of major shareholdings up to 5% (five per cent) pursuant to Article 119-bis, paragraph 7 of the Issuers' Regulation for management companies and both EU and non-EU obliged entities.

The Chairman invites the holders of more than one proxy, if they wish to express diversified votes within the total number of shares represented, to provide the details with the voting expressions.

The Chairman therefore declares the resolution read previously adopted by the majority of the votes cast by a show of hands, and he specifies that no. 278 (two hundred and seventy eight) shareholders entitled to vote participated in the vote, representing no. 29,964,782 (twenty nine million nine hundred and sixty four thousand seven hundred and eighty two) ordinary shares, equal to approx. 85.743% (eighty five point seven four three per cent) of share capital), and totaling no. 50,633,910 (fifty million six hundred and thirty three

thousand nine hundred and ten) voting rights, equal to approx. 90.767% (ninety point seven six seven per cent) of total voting rights, taking into account the shares with increased voting rights, and the voting result is the following:

in favour no.	50,469,999,	equal to approx. 99.676%;
against no.	163,911,	equal to approx. 0.324%;
abstained no.	0,	equal to approx. 0%;
non-voting no.	0,	equal to approx. 0%.

The details of those who voted in favour, against, abstained or did not vote, with the number of their respective shares and voting rights, are highlighted in the nominative list of participants in the meeting, attached under the letter "A".

There being no other matters to be resolved and as none of the attendees have requested the floor, the Chairman thanks all the attendees and steps down from the chair and closes the Shareholders' Meeting at forty-eight minutes after eleven o'clock.

All costs with regard to this deed and related expenses will be borne by the Company.

Pursuant to the privacy regulations in force, the persons before me declare their receipt from me, as Notary, of the written instruction envisaged in Article 13 of Italian Legislative Decree no. 196 of 30 June 2003, and specifically consents to processing of the "common" personal data for all the institutional purposes of my office, as well as of any "sensitive" and/or "judicial" data contained in this deed or, in any event, acquired during the course of the related procedures, where permitted for the latter by specific provisions of the law or by a provision of the Privacy Authority.

Upon request, I, as Notary, have received and read this deed to the person appearing before me who, on my asking, fully accepts it as compliant with his will and signs it, together with me, as Notary, at fifty-five minutes after eleven o'clock.
